Woodland Kiwanis is organizing “Share the Bounty” to benefit local non-profit food organizations such as the Yolo Wayfarer, the Woodland Food Closet, the Yolo Food Bank, the Senior Nutrition Program and similar. These programs provide food to those in desperate need. In this economy, needs are outstripping their financial resources.

Kiwanis is promoting the backyard harvest of surplus citrus during March. Navel oranges, grapefruit and most lemons are now ripe. (Please, no Valencias until they ripen in the summer!) Drop of your harvest at the addresses given below. If you are unable to harvest, please leave a message at 530-668-7981, and Kiwanis will try to coordinate a picking party.
