Past International President Art Swanberg said it best "we must grow to serve, and we must serve to grow!" Kiwanis has a goal to reach 1 million members on our 100th anniversary in 2015. This goal was established when Steve Siemens was the President of Kiwanis International. His message is dynamic and, coupled with what we learn in the seminars offered at this Conference, it will help to make our club grow and serve more. I urge all members of the Kiwanis Club of Woodland to attend this conference. The Club buys. Let Sarah know if you plan to go for car pool provisions

HAPPY SAD \$\$\$

Dee Dee Gray gave \$12 happy sad for having just put her mom in assisted living so she will now be sure to have good care. Having spent a week cleaning up an aunts house and getting it up for sale because she had to be put in a convalescent hospital. Upon arriving home she learned that her cousin died of lung cancer. It was good that he got to be with them to solve his mother's clean up problems. She was later on happy for carpal tunnel surgery. It felt so good. She couldn't wait for the other side.

Roz Stone gave a happy \$ to announce that her daughter with the 3 boys was due in September hopefully it will be a girl.

Shanna Baggaley would have shared her Super Bowl winnings except that she won but lost the bet anyway with John A/C the point spread.

Dick Bellows gave a glad \$ a/c U Connecticut is no. 1. Later gave another \$ for Wedding Anniversary

Barry Matter shared his winnings ?\$ because he won his first pool a/c no. 92 runback

Marv Hale gave \$ because got to sit with Russell's sister at Red and White Ball. It was great to see she at least is learning to dance.

Stephanie De Bo splurged with \$5 for the great Super Bowl and for the embarrassment of getting beat at bowling by 5 year old niece.

Linda Seyler gave a \$ for a good quilting retreat last weekend.

Russell Pullmann gave a sad \$ because he missed the Conference last Saturday because he had to attend a funeral for a cousin. He had a happy \$ for the great service that River City Bank had given him so that he could give a completed treasurers report.

Sarah Robinson fined herself \$2 a/c she wasn't wearing either her badge or her pin.

Chuck Jensen gave a glad \$ for living near Stephanie's sister. Gave a sad \$ because he missed the Super Bowl while taking his wife for Sunday ride. Gave a sincere sad \$ a/c his first associate in business in Woodland Les Means had died.

BOARD MEETING PROGRAM

SECRETARY, Linda Seyler had no report. Maybe reference to the Newsletter would suffice as evidence that business had been transacted.

TREASURER, Russell Pullmann distributed and commented on the monthly report, including a preliminary report on and analysis of the Crab Feed income. He reported that cash from ticket sales was about the same as last year, but, because there were fewer people at the event, revenues from Silent Auction and Raffle were down. He estimated that we would net around \$3000 less than last year. He will give us complete reports on Crab Feed and Poker fundraisers when all the figures are final.

(BMP Continued)

Community Services Chair, Dee Dee Gray reported MOW sign up sheet going around. (Obviously I did not get to see it). Ben Stultz needs help this Friday.

Program Chair, Dick Bellows reported on near future programs. He introduced the idea that maybe we should consider giving a \$100 donation to any programs presented by non profits. After a lengthily philosophical discussion by the Board a vote was made, Dick's proposal was defeated. The discussion resulted in a better understanding of how our Committee Chairs can spend their budgets.

Chuck Jensen talked about old times and suggested that we get the YMCA to give us a program.

Inter-club Chair, Chuck Jensen reported that his committee had taken the last allowable two months off. They would be doing several inter-clubs this month to make up for lost time. He mentioned West Sac. and our Aktion Club as prospects.

Young Children Priority One Chair, Shanna Baggaley spent \$200 for Make-a-Wish and made three presentations to participating Children.
